# WALDEN III

*In the Process of Discovery*

## A Word from Principal Bob Holzem

The Association for Wisconsin School Administrators has recognized Walden III Middle School as an Exemplary Milled School, noted as being in the top 10% of reading scores in the state. **Congratulations**, and thank you to Kate, Michelle, and Janet, and to our entire middle school staff!

We have just received the results of the RUSD Customer Service Survey for 2007/2008, and they are as are as follows:

### High School

71.4% of our parents rated Walden III Excellent  
23.8% of our parents rated Walden III Good

### Middle School

62.7% of our parents gave Walden III a grade of Excellent  
29.9% of our parents gave Walden III a grade of Good

## Harvest Food Drive Nov. 17-26

Walden's annual Harvest Food Drive has grown to become one of the biggest food drives in the county – second only to the postal carrier's collection! Everybody contributes something daily for a week, and the generosity of our Walden families is outstanding.

A list of food items collected will be given out in Homegroups during 1st quarter conferences. Each day has a theme such as Breakfast Day, Pantry Day, Snack Day, etc., and each item is assigned a point value. Homegroups compete against each other for the most donations to determine their place in line for the Thanksgiving Feast.

Stock up now on food and household items like shampoo and toothpaste, pancake mix and cereal, peanut butter and jelly, salsa and other staples, and watch for the complete list during conferences.

**We could also use donations of clear packing tape!**  
Can you donate a package of packing tape from Sam's Club? **Please see Michael Seyller**

# IMPORTANT NOTICES

## BOOK RENT

**Book rent is now overdue!** The fee is now \$17.00 for the 1<sup>st</sup> semester. Make checks out to Walden and write "Book rent" in the memo line. Remit to your Home- group teacher or directly to the Office.

## LAB FEE

If you haven't yet paid your Lab Fee, please turn it in today. All students must pay a \$2.00 fee to cover the cost of printing in the lab and library. Please remit to your student's Homegroup teacher. **Thank you!**

## First Quarter Conferences...Nov 6-7

Parent-teacher-student conferences for the first quarter will be held **Thursday, Nov. 6, and Friday, Nov. 7.** Students sign up for a conference time with their Homegroup teacher—all students must be in attendance for their conference. Dismissal on Thursday is at 11:14 with conferences in the afternoon, and there is **no school** on Friday, Nov. 7.

If you have offered to bring a dish for the **STAFF APPRECIATION LUNCHEON**, please send it to school with your student on Thursday, or bring it to the Teacher's Lounge by 10:30. Thank you for helping to let our teachers know how much they are appreciated!

## THINKING GREEN

An EPA Municipal Solid Waste Generation report lists the areas of waste Americans created in 2006:

1. Paper & Paperboard 85,300 tons
2. Yard trimmings 32,400 tons
3. Food Wastes 31,300 tons
4. Plastics 29,500 tons
5. Metals 29,500 tons
6. Wood 13,900 tons

The good news is that **we can** easily impact the largest forms of waste with a little attention and by changing our practices. You can:

1. Be mindful of your consumption of paper and recycle it.
2. Don't bag your grass clippings! Fine grass clippings left by a mulching lawn mower creates healthier lawns.
3. Compost your food waste and make your own fertilizer.

## Doctor Appointments

If your child has an appointment **PLEASE** call the attendance line with this info before 9:00 am. **Your child must check out with the office** at a specific time and can then meet you at the front door. Note – your child must still check out with the office even if you have called us. Following these guidelines will help to avoid interrupting classes. Thank you!

## STANDARDIZED TESTING

**November 12,13,14**

Students in grades **6, 7, 8, and 10** will be taking the standardized tests on:

Wednesday, Nov. 12	morning testing
Thursday, Nov. 13	morning and afternoon
Friday, Nov. 14	morning testing

Please help your child get a **good night sleep**, eat a **healthy breakfast**, and make an extra effort to **arrive on time**. To help with the longest day of testing, the PTSA is providing snacks during the morning break.

Students in grades **9, 11, and 12** will report to classes on the days of testing, and remain in the classroom during the testing window. Students will be able to receive educational support for questions with homework.

**CONGRATULATIONS** to Annette and Michelle for receiving two **Kidsfirst** educational grants from the **Racine Community Foundation**.

Michelle will take 6<sup>th</sup> graders and the HS film class to see and hear a restored Wurlitzer Organ accompany a silent film. Annette has arranged a Ropes course at Lutherdale in Elkhorn that fosters leadership, team building, and community skills.

## PIES FOR THE HOLIDAYS

The senior class will be selling pies to offset the cost of prom and post prom festivities. The more pies the seniors sell, the greater the profit they make per pie.

***These pies are truly delicious!***

Please support the senior class and buy a pie or two or three! Make life easier over the holidays and purchase pies from a senior at Walden. Wait – you don't know a Walden senior? Call Chris at Walden at 664-6250 and he will help you out!

The senior class is also sponsoring the November Market Day. This is the time to try some of the delicious, nutritious foods from Market Day. Forms are in Main Office, or you can contact **Andrea Peterson** at [apeterson6@wi.rr.com](mailto:apeterson6@wi.rr.com), phone: 635-1483.

## HORLICK HIGH SCHOOL HOLIDAY FAIR

Racine Horlick High School's Student Government is hosting its annual **Holiday Fair** on **Saturday, Nov. 22, from 8:00 am to 4:00 pm**. Do your Christmas shopping on **Dec 12<sup>th</sup>**, and help Walden earn money! You must present a Barnes & Noble/Walden III voucher at the register on **Dec. 12** and Walden will receive between 15-25% of the total sales generated. Tell your friends and co-workers to shop on **Dec. 12** – you can download extra vouchers at [www.waldeniii.org/pts](http://www.waldeniii.org/pts).

Here’s how you can help Walden on **Dec. 12<sup>th</sup>**:

- We need volunteers to gift wrap throughout the day Walden receives donations for our efforts\*
- Meet a friend for coffee, and get some holiday shopping done that benefits Walden. (Coffee purchases are not included in our earnings)
- Don’t sell friends an over-priced fundraising item – hand them a Barnes & Noble voucher! Good on any purchase *except* gift cards, memberships and café consumables.

**Double your money** – purchase Barnes & Noble **SCRIP** to use on **Dec. 12**, and Walden earns even more!

**\*Call Esther Holding at 639-1512 to volunteer.**

Our next fundraiser will be our **annual poinsettia sale**. Our poinsettias come from Milaeger's and come in three colors and four different sizes. New this year is the addition of **24" wreaths and hanging evergreen baskets**. The poinsettias are always beautiful and last a long time.

**Order forms** are included in this issue and are due back to Vanessa by **Tuesday, Nov. 18**. They can be picked up at our Cocoa Concert **Thursday, Dec. 11**.

Poinsettias are a great gift idea and decorate your home or office nicely for the upcoming holiday season. Support the Music Department at Walden and sell them to your family, friends, and neighbors!

**Cocoa Concert – Friday, December 7, 6:00-8:00 pm**

We would also appreciate your donations to the Silent Auction – large and small items or baskets are needed. To volunteer, please call **Vanessa at 664-6250**.

Pam Veentra's daughter, Erin Mirabella will be in Racine to promote her latest book, ***Shawn Sheep the Soccer Star***. Second in a series of delightful children's books, Erin's stories teach timeless lessons like how to face one's fears and succeed, or how to be a good team player.

Erin has book signings at Barnes & Noble in Racine on **Nov. 1 from 11:00 am-1:00 pm**, and at the Barnes & Noble in Evanston, IL on **Nov. 3 at 10:30 am**.

## ***Dia De Los Muertos Exhibicion***

Alex and his art students extend an open invitation to all to view their **Day of the Dead offerandas** during conferences.

Drawing on the Christian tradition of All Saints Day and Aztec cultural traditions, students have created altars to honor departed souls, which may be a relative, friend, or pet. The altars attract the souls of departed loved ones with displays of favorite foods and other items that symbolize things that were important to them in life. Students also include written tributes. In this way, a family honors and remembers departed loved ones, provides them with nourishment, and then sends them on their way.

The exhibit will be on display in **Alex's Art Room #322** in the West Wing during conferences.

## ***High School Field Trips***

Walden's Green School principles and the new Outdoor Classroom inspired our staff to schedule a high school field trip each month that would feature recreational activities and entertainment options available in our own back yard.

First in the series was a field trip to Parkside in October. Students selected four activities from a variety of options such as water science, photography, GPS, kickball, theatre exercises, hiking, a R.O.P.E.S course, and disc golf. The day was spent with outdoor physical activity, and students found the R.O.P.E.S. course challenging and fun.

The Walden PTSA purchased the discs used for disc golf, and they will become a permanent part of the Phy. Ed. equipment used here at Walden.

Plans and permission slips for a November field trip will be announced in the NOW, Walden's email newsletter.

## **ACCIDENTS AND THE NEW DRIVER**

A new driver in the house is an anxious time for parents.

Prepare your new driver on how to respond in the event of an accident with the following tips:

- Tell new drivers to move the car out of the way of traffic if they are involved in a collision.
- They should know where registration and insurance documents are located.
- Instruct them to get the name, address, phone number, license number and insurance details from others involved in an accident, including witnesses.
- Insist that new drivers cooperate with police, but emphasize that they should *never volunteer fault*.
- Make sure all family vehicles are equipped with an "accident kit", including pen, paper and perhaps a disposable camera.

## WALDEN OUTDOOR CLASSROOM

The idea for an Outdoor Classroom took root when a Walden student wrote to the Mayor and asked if something could be done with the park that borders our school to the west. Upon learning that the tennis court was scheduled to be removed in 2009, students sent a letter of request to the City Council asking to use the space. A student committee drew up a plan for a garden and made a presentation to the Parks & Rec department, pledging to build the Outdoor Classroom at no cost to the school district. Their proposal was so impressive it won a unanimous vote and a round of applause! Alderman Jeff Coe added his support to our efforts and things began to move very quickly.

Walden students contracted with **Macemon & Sons**, to remove the tennis court, as well as the street, curb, sidewalk, and gutter that was buried beneath it. Macemon donated a portion of their fee, and **Oakes & Son** donated soil to fill in the depression. Because of their generosity, the cost of this work came in well below normal fees. The **City of Racine** has contributed the funding for the majority of the work done so far, and Walden students will fund raise to cover the remaining costs.

Walden senior **Lizzie Fletcher** is submitting a grant to the Johnson Foundation requesting funds to cover general costs including plants, compost, and construction. Numerous other grants are also being pursued.

Students have consulted with native plant expert **Nan Calvert**, president of the Wild Ones, and **Kate Field**, a horticultural teacher from Gateway, to formalize the design of the garden. Plans call for a rain garden, which will be paid for with a grant from Root-Pike Win; a prairie, a fauna and butterfly garden, and a meditation garden.

## MIDDLE SCHOOL VOLLEY BALL

Intramural volleyball for Middle School boys and girls begins on **Monday, Oct 27** and runs 4 weeks. 8<sup>th</sup> graders practice from 2:30-3:30 on Mon. and Wed., and 6<sup>th</sup> and 7<sup>th</sup> graders practice on Tues/Thurs. Extramural games follow, and run through **Dec 18**. See Sue or Sam for more info.

**The Forensics Team** has begun to prepare for a rigorous competition season. For the first time, Walden III will be the only high school represented in the “mock” trial competition. Combined, both competitive teams comprise nearly 22 students in grades 9-12. More students with an interest in developing good speaking or acting skills are encouraged to see Michael and join.

## ACADEMIC DECATHLON..... Tom Feeney

The United States Academic Decathlon LOCAL COMPETITION this year will take place Monday, November 10<sup>th</sup>, probably at Racine Gateway. The Walden III USA team coached by Thomas Feeney will consist of two “teams” competing at three levels and consisting of the following **Walden Superheroes**:

**Honors:** *Seniors:* Sam Braun; Armand Grabowski;  
*Juniors:* Sabrine Ali; Rachel Pettit.

**Scholastic:** *Juniors:* Erik Sahakian-Fiegel; A.J. Stibbe; Beau Wishner; *Sophomores:* Lucas Breit-Nicholson; Caracal Keithrafferty; Chris Roberts;

**Varsity:** *Seniors:* Kiefer Baker; Bill Justus; Theresa Schmidt; *Junior:* Jeremiah Jeffrey.

Walden has an outstanding record – we have advanced to the **REGIONAL COMPETITION** seven times in the last seven years and to **STATE COMPETITION** three times during the same period.

The three high-scoring individuals in each competition level will make up Walden’s nine-person team that advances to Regionals and State.

**GOOD LUCK!!!**

## SKI CLUB..... Annette Terselic

### Walden’s Ski Club is warming up!

We have already started fundraising by selling hot dogs at Open House, providing a basket at the Infusino Family Night, and hosting the October Market Day sales. All proceeds will go toward bus costs. Students interested in fundraising to pay their own skiing expenses may sell candy bars – see Annette to get started.

**COSTS:** The ski card is a one-time membership fee of \$15.00. Additional cost each trip will be \$15 for lift tickets, \$15 for rental, and \$15 for bus. Ski cards are available only to students skiing with our group and taking the bus with us. They can be used for discounts at Alpine Valley on days that Ski Club is not skiing. We will be sharing a bus with Case HS again this year. All pick-ups will be at Case HS around 10:00 pm. Waivers and permission slips will be out soon. Families are welcome to join us on ski trips for the reduced fee of \$15.00 for both lift tickets and rental.

**THANK YOU to Macemon & Sons,  
A.W. Oaks & Sons, and the City of Racine  
for their generous support**
